

DRAUGHT BEER

The momentum behind Craft Beer in British Columbia has been growing steadily for years. Vancouver is in a golden age of Real Ale, Craft Beer and general beer enthusiasm. We are proud to offer our guests a selection of Craft Ales with a few global styles to round out our list. We are passionate about Craft Beer while understanding that IBUs aren't for everyone. Look for seasonal releases & specialty beer offerings on a regular basis. Our menu is organized first by beer style, then from least hop-bitter to most. All beer is poured 18oz in a traditional 20oz pub glass.
